Rustic, Warm & Inviting

Experience the rustic charm of warm, inviting, and rich colors, reminiscent of an autumn sunrise. This heavily hand-distressed flooring reveals light chatter marks, scrapes, and divots that resemble the effects of every-day use over a long period of time. In addition to adding character, these minor imperfections help hide everyday wear and tear and look great for years to come! These engineered, mill run planks with a multi-ply birch substrate have hand-scraped beveled edges and come in 7" or random width (4", 6", and 8") variations, all with a urethane finish.

NOTE: Hardwood flooring inherently contains natural variations in graining and colors in every plank. Over time the colors may evolve with exposure to sunlight.

Care & Maintenance

- To protect from excess moisture and dirt, place mats or rugs at all entrances.
