Set A Daring Tone

Spice things up with this beautifully styled solid red oak, white oak, or maple hardwood flooring. Micro-bevel edged planks have a smooth urethane finish with minimal divots, bumps or dents. Planks come in various widths and lengths to choose from, all milled from only select or better grade hardwood. From warm and inviting to contemporary and refined, these floors will spice up your space and set a daring tone.

NOTE: Hardwood flooring inherently contains natural variations in graining and colors in every plank. Over time the colors may evolve with exposure to sunlight.
