## Tradition That Spans The Ages

Celebrate the age-old beauty and character of authentic hardwood grain variation! This engineered hardwood floor features a thick wear layer designed to last for generations. It is milled from character grade walnut, hickory or white oak in 5", pillowed edge planks with bold colors and rich stains. This creates the perfect canvas for our oil finish and expert hand-distressing. Step back in time and give your space an antique and vintage-inspired look!

*NOTE: Hardwood flooring inherently contains natural variations in graining and colors in every plank. Over time the colors may evolve with exposure to sunlight.*
