

HICKORY SALEM

CAROLINA CLASSIC

Inspired by the country charm of floors historically produced in North Carolina, each color in this collection has a personality of its own. By using a wide range of tools and techniques, we have created flooring that projects a beautifully stained and hand-distressed appearance with the bonus of being incredible at hiding everyday wear and tear. Each five-inch wide engineered plank features hand-scraped beveled edges and is coated in an ultra-durable Urethane with Aluminum Oxide finish. Choose from a variety of warm, natural tones and create a space that is as charming as it is timeless.

Sample Variation Disclaimer: The beauty of hardwood flooring lies in natural variations in color, grain, and texture inherent in all wood products. Please expect variation in all flooring and understand that, although we color calibrate all of our photos, color may appear differently on different monitors, devices, and/or prints, and flooring will vary in hue and saturation based on differing lighting conditions. Samples that have been exposed to sunlight or naturally aged may differ slightly from the product received. Garrison accepts no liability for claims due to variations in color, grain, and/or character between samples and your installed floor. INSTALLATION IS ACCEPTANCE.

Product Disclaimer: All measurements are nominal. Wear layer refers to top layer thickness prior to treatment. Wire-brushing and/or distressing may marginally affect wear layer thickness. All boxes include starter boards.

Order Disclaimer: We recommend buying all flooring at the same time for your project. Otherwise, we cannot guarantee matching flooring if adding to an order. In the event additional flooring needs to be ordered, flooring may differ in color, grain, texture, and/or size due to inherent variations in natural wood products. When ordering, always factor in at least one full box for any/all unforeseen damage that may occur during the life of your floor. Please consider and allow for a waste factor of 3-5% on normal layouts and 5-10% on detailed layouts such as 45-degree angles, patterns, border work, etc. Please also include end joint stagger and note that minor imperfections are to be cut off prior to installation.

Installation Disclaimer: This flooring must be installed in accordance to our Installation Instructions, included in all cartons of our flooring. More detailed Installation Instructions can be found on our website at garrisoncollection.com. Improper installation will void your warranty.

Warranty Disclaimer: This flooring comes fully finished from the factory and requires no immediate surface treatment following installation. Improper installation or the use of improper products and/or cleaning methods will void your warranty.
