Alongside the bank of Lake Como, in the illustrious village of Bellagio, lay some of Italy's architectural treasures. Drawing its inspiration from the charm of the Lombardy region, our Bellagio Collection is one of our most luxurious lines to date.

Envisioned while exploring the natural beauty of Bellagio, this iconic collection will transport you to the shores of Italy with a single glance. Our wire-brushed technique enhances the unique complexity of the oak's character, while the urethane with aluminum oxide finish creates a beautiful matte sheen.

These 7 1/2 inch wide planks come in six unique colors; featuring mostly six foot long lengths and a thick wear layer. The durable finish helps to keep the European Oak planks in pristine condition and resist the test of time.

From Stendhal to Liszt, many artists evoked the romantic beauty of the coast of Lake Como in their masterpieces. Now you too can invigorate your space with a timeless Bellagio statement piece.
