CAROLINA CLASSIC

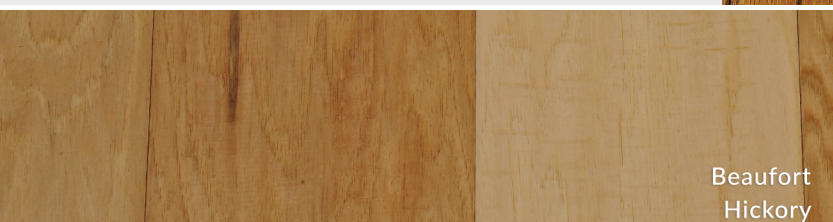

ENGINEERED HARDWOOD

Inspired by fine floors traditionally produced in North Carolina, each Select Character grade plank has a personality of its own. By using a wide range of tools and techniques, we've created a flooring that projects a beautifully stained and distressed appearance. As a bonus, this finish also hides everyday wear and tear.

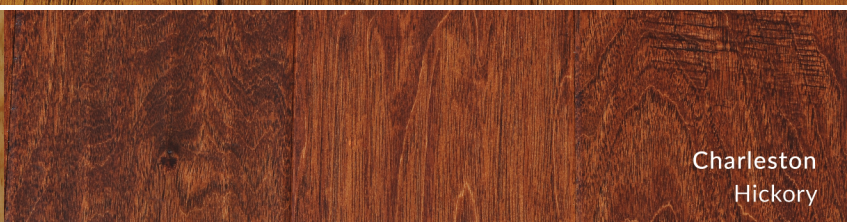

The engineered 5" planks feature hand-scraped beveled edges, come in a variety of warm, natural tones, and are coated with a smooth urethane finish. With a variety of distinctive colors and species to choose from, rest assured that no other floor in the world will look exactly like yours!
