# DOLCE CAPRI

## ENGINEERED HARDWOOD

The island of Capri has long been a symbol of creative inspiration and rejuvenation for influential artists. Inspired by this legacy, the Dolce Capri collection delivers elements of art, nature, and elegance to your space.

Made exclusively from certified European white oak, our wood floor artisans wire brush the luxurious 5 mm wear layer revealing the stunning cathedral graining of the wood.

Our proprietary reactive stain technology plays on the natural tannins of the wood highlighting the rich variation and unique beauty of each individual tree. The 9.5 inch wide planks are hand-finished with plant-based, VOC free hard wax oil, ensuring a durable and easily maintainable final product.
