Infuse The Pure Aesthetic Of Aged Trees In Your Home

The best-selling colors from our Garrison II Distressed Series, with a more refined look. The smooth surface of this engineered flooring contrasts beautifully with the natural character of the hardwood and features a durable urethane finish.

Planks are 5" wide with micro-bevel edges, and are offered in a broad assortment of species and colors that are sure to be the spotlight of your home.

Due to the natural variations of color and grain patterns inherent in wood, our flooring products will vary from plank to plank and may be slightly different than the sample.
