Experience the wide plank, European Oak flooring that California has fallen in love with. From our warm golden Pebble Beach, to the cool charcoal tones in La Jolla, this line has captivated designers, homeowners, and architects across the nation. These seven and a half inch wide engineered planks feature either a gentle oil finish or urethane with aluminum oxide finish, bringing a relaxed, yet modern vibe to any space.

Every detail, from the hand wire brushed face to the precise micro-beveled edges, displays the understated beauty and the quality of this floor. This line is a perfect canvas to build upon in any space. Your only challenge will be choosing our nine stunning eye-catching colors. At the lowest price point of any of our European Oak lines, you simply won't find a better value in European Oak!
