

CAROLINA CLASSIC

Inspired by the country charm of floors historically produced in North Carolina, each color in this collection has a personality of its own. By using a wide range of tools and techniques, we have created flooring that projects a beautifully stained and hand-distressed appearance with the bonus of being incredible at hiding everyday wear and tear. Each five-inch wide engineered plank features hand-scraped beveled edges and is coated in an ultra-durable Urethane with Aluminum Oxide finish. Choose from a variety of warm, natural tones and create a space that's as charming as it is timeless.

Sample Variation Disclaimer: The beauty of hardwood flooring lies in natural variations in color, grain, and texture inherent in all wood products. Please expect variation in all flooring and understand that although we color calibrate all of our photos, colors may appear differently on different monitors and devices and flooring will vary in hue and saturation based on differing lighting conditions. We highly recommend seeing a sample board of flooring in person before making your decision, and understanding that flooring may vary slightly from these boards. Please contact us for more information and to be connected to a sales representative who will point you in the right direction.

Product Disclaimer: All measurements are nominal. Wear layer refers to top layer thickness prior to treatment. Wire-brushing and/or distressing may marginally affect wear layer thickness. All boxes include starter boards.

Installation Disclaimer: This flooring must be installed in accordance to our Installation Instructions, included in all cartons of our flooring. More detailed Installation Instructions can be found on our website at garrisoncollection.com. Improper installation will void your warranty.

Warranty Disclaimer: This flooring comes fully finished from the factory and requires no immediate surface treatment following installation.
